

La Biblioteca di Hobbiville

Attraverso questa rubrica, la rivista si propone di fornire una bibliografia completa di tutte le opere pubblicate da Tolkien, ed una catalogazione di tutti gli scritti a lui dedicati.

Siamo ormai giunti al nono numero di questa bibliografia e stiamo esplorando la vastissima produzione britannica.

Anche in questo caso ho scomposto la bibliografia americana in due parti per evitare di saturare un unico numero della rubrica, con la grande quantità di edizioni presenti dei testi di Tolkien.

La divisione suddetta segue un criterio temporale: in questo numero elencheremo le opere di Tolkien pubblicate dal 1980 ad oggi

Rinnoviamo sempre l' invito a contribuire segnalandoci eventuali titoli non presenti in elenco od altro materiale bibliografico inerente, saremo ben lieti di aggiornare la presente bibliografia con tutti i titoli che riuscirete a scovare.
