

# La Biblioteca di Hobbiville

*Attraverso questa rubrica, la rivista si propone di fornire una bibliografia completa di tutte le opere pubblicate da Tolkien, ed una catalogazione di tutti gli scritti a lui dedicati.*

*Siamo ormai giunti al tredicesimo numero di questa bibliografia e, dopo aver raccolto negli ultimi due numeri tutte le pubblicazioni delle diverse associazioni Tolkieniane, più o meno ufficiali sparse per il mondo, ci pare opportuno fare un passo indietro per poter fare il punto della situazione.*

*Infatti, come è noto, l'uscita del film ha prodotto una impennata a livello mondiale nella pubblicazione di libri e altro materiale di e su Tolkien negli ultimi due anni e, pertanto, nel presente numero proponiamo un aggiornamento di tutte le pubblicazioni di e su Tolkien uscite negli ultimi due anni in Italia, Stati Uniti e Regno Unito.*

*Rinnoviamo sempre l' invito a contribuire segnalandoci eventuali titoli non presenti in elenco od altro materiale bibliografico inerente, saremo ben lieti di aggiornare la presente bibliografia con tutti i titoli che riuscirete a scovare.*

*Il Bibliotecario*

*Enrico Imperatori*
