“Pensandoci bene, apparteniamo anche noi alla medesima storia, che continua attraverso i secoli! Non hanno dunque una fine i grandi racconti?”. “No, non terminano mai i racconti”, disse Frodo. “Sono i personaggi che vengono e se ne vanno, quando è terminata la loro parte.”

(J.R.R. Tolkien – Il Signore degli Anelli)

*A*ttaverso questa rubrica, la rivista si propone di fornire una bibliografia completa di tutte le opere pubblicate da Tolkien, ed una catalogazione di tutti gli scritti a lui dedicati.

Siamo giunti al ventiseiesimo numero (in circa 23 anni) di questa bibliografia.

Completato l'aggiornamento, l'ampliamento e l'attualizzazione di una catalogazione da me iniziata nel lontano anno 2000, di tutte le pubblicazioni e/o fanzine (allora solo in formato cartaceo) di singoli, società, e/o gruppi ufficiali o più o meno amatoriali dediti principalmente (ma non solo in alcuni casi) allo studio ed all'approfondimento delle opere e della vita del nostro amato professore (o di quanto vi gravita nelle vicinanze) relative al Regno Unito ed all'Italia, nell'ultimo numero ho proseguito l'attività implementando la ricerca anche con le analoghe succitate pubblicazioni del resto dell'Europa.

Per il momento sono state pubblicate quelle relative ai seguenti paesi: Portogallo, Spagna, Irlanda, Islanda, Francia, Belgio e Olanda.

Nel presente numero di Endore, la ricerca ha riguardato i seguenti paesi: Svizzera, Danimarca, Norvegia, Svezia, Finlandia e Austria.

Ovviamente, allargando la catalogazione a un gran numero di stati, anche in questo numero, come nel precedente, mi limiterò, per così dire, a trattare le pubblicazioni delle associazioni tolkieniane e dei relativi smial, nonché delle eventuali fanzine specificatamente Tolkieniane.

Per questo compito, molto impegnativo, mi sono avvalso delle stesse fonti alle quali ho già ricorso per la precedente bibliografia delle opere di Tolkien, ovvero, in primis della mia esperienza e della mia personale collezione di pubblicazioni, anche molto datate, utilizzando comunque in larga - anzi larghissima - misura il preziosissimo contributo di internet.

Ho mantenuto la pratica già precedentemente utilizzata di includere l'elenco di sommari, dove disponibili, nella speranza che possano accendere la fantasia o rinvigorire l'entusiasmo in qualcuno dei lettori per qualche specifico tema monografico.

Trattandosi di una compilazione molto articolata che, nella maggior parte dei casi, ha richiesto una certa dose di fantasia nel reperimento delle informazioni, chiedo, come di consueto, al cortese lettore la massima indulgenza possibile nei miei riguardi per eventuali errori e/o omissioni. Con ciò rinnovando, a maggior ragione, l'invito a contribuire segnalandomi eventuali titoli o informazioni non presenti in elenco od altro materiale bibliografico inerente. Sarò ben lieto di aggiornare la presente bibliografia, o meglio, "fanzinografia" con tutti i titoli che riuscirete a scovare.
