

# La Biblioteca di Hobbville

*Attraverso questa rubrica, la rivista si propone di fornire una bibliografia completa di tutte le opere pubblicate da Tolkien, ed una catalogazione di tutti gli scritti a lui dedicati.*

*Siamo ormai giunti all'ottavo numero di questa bibliografia e stiamo esplorando la vastissima produzione americana, dopo gli scritti di Tolkien già proposti nei due precedenti numeri della rivista, passeremo ora ad elencare i principali testi a lui dedicati e pubblicati negli Stati Uniti dal 1959 ad oggi.*

*Rinnoviamo sempre l'invito a contribuire segnalandoci eventuali titoli non presenti in elenco od altro materiale bibliografico inerente, saremo ben lieti di aggiornare la presente bibliografia con tutti i titoli che riuscirete a scovare.*

*Il Bibliotecario*

*Enrico Imperatori*
